## PTA President's Message

Happy Spring Everyone!

We, as a PTA, love the spring because it means we are setting up the PTA for the upcoming school year. We have open PTA roles ranging in commitments to fit within a variety of family dynamics. If you would like information on open roles please email [crystal.springs.pta@gmail.com](mailto:crystal.springs.pta@gmail.com) and we can set up a time with someone on the board to chat with you and answer any questions you may have. Looking forward to building another successful Crystal Springs PTA.

**Stephanie Hoover President 2018-2019**

## Staff Appreciation Week May 6-10

We are looking forward to celebrating our staff at Crystal Springs Elementary. This year we are providing several meals and treats for the staff during the week. We also have some special projects in the works. If you would like to help honor the staff during that week, donate gift cards, help with the meal or a

project - we would love your help. If you have questions or want to get involved please email Dawn and Bekah [dawnoas@yahoo.com](mailto:dawnoas@yahoo.com) and [bekaherry@gmail.com](mailto:bekaherry@gmail.com).

## Turn your Student Art into Keepsakes!

Square 1 Art ([square1art.com](http://square1art.com)) is an exceptional organization that focuses on the accomplishments of each student, raises valuable funds by transforming each child's original works of Art into personalized gifts and memorable keepsakes such as key chains, magnets, journals, mousepads, tote bag, etc. that family members will love and treasure all while supporting Crystal Springs Elementary.

These are GREAT gifts for many of the upcoming "Spring Holidays", Father's Day, Grandparents Day, Teacher Appreciation, Graduations or Birthdays. The PTA Art Docents and Teachers are working on completing artwork among the classrooms to place an order through this fun company.

# STUDENT COUNCIL

## Student Council Corner

Crystal Spring's Student Council continues to lead the way! We had a fun "Crazy Days" week where students dressed to themes such as Rainbow day, wearing coordinated colors to show off their grade level. The week ended with school spirit day.

Monday, April 22 was Earth Day, so our student led **Give Back to the Community**

project for April is to ask all students to clean our school by weeding flower beds, picking up trash, and bringing in flowers to plant around the school.

## Spotlight: Special Thanks to the Businesses that Support our School

With their support, the CSPTA has been able to buy books for the library, sponsor STEM and Art programs, fun events such as Movie Night, and even purchased materials for a lost and found rack that kids can reach! These businesses have made a direct impact on our school and we thank them!!
